- Streets connect all the places in the city!

Where Is It? - Preposições de Lugar

Where Is It? - Preposições de Lugar

Visual: City map showing different position relationships between buildings

The Prepositions:

English	Português	Use
IN	em / dentro de	inside an area or city
ON	em / na	on a street, surface
AT	em / no	at a specific location
NEXT TO	ao lado de	directly beside
NEAR	perto de	close to, not far

Navigating the City

Street Naming

- Streets have names: “Main Street”, “Oak Avenue”, “Park Boulevard”
- Addresses include number + street: “42 Oak Street”
- Blocks are used for distance: “It’s two blocks away”

Common City Places

- **Pharmacy:** Drugstore (**USA**) = Chemist’s (**UK**)
- **Stores:** Grocery store (**USA**) = smaller supermarket; Off-licence (**UK**) = liquor store

Asking for Directions

- Always say **“Excuse me”** first — very polite!
- **“Is it far?”** is a common question
- **“You can’t miss it!”** = *você não tem como errar!*
