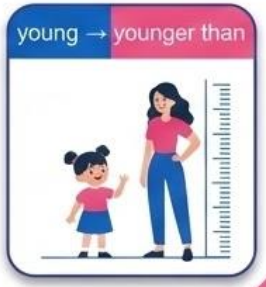
Comparative Adjectives – Rules & Examples

REGRA 1 — Short Adjectives (1 sílaba):

Adjective + **-ER + THAN**

Spelling tips: Adjective ending in -e → add only -r: nice → nicer - Adjective ending in consonant + vowel + consonant → double last consonant: big → bigger, thin → thinner

Adjective		Comparative	Example
tall	→	taller than	"Pedro is taller than Lucas."
short	→	shorter than	"Ana is shorter than her sister."
old	→	older than	"My dad is older than my mom."
young	→	younger than	"She is younger than me."



Comparative Adjectives — Rules & Examples

MORE + Adjective + THAN

REGRA 2 — Long Adjectives (2+ sílabas):

MORE + Adjective + THAN

friendly	outgoing	serious	generous
more friendly than	more outgoing than	more serious than	more generous than
She is more friendly than her brother.	Carlos is more outgoing than me.	He is more serious than his friends.	My aunt is more generous than my uncle.

Comparative Adjectives — Rules & Examples

Exceção — 2 sílabas terminadas em -y:

Adjectives ending in -y → change y → i + -er + THAN

funny

funnier than

This movie is funnier than the other one.

lazy

lazier than

My cat is lazier than my dog.

heavy

heavier than

He is heavier than his twin brother.

“Looks Like” vs “Is Like” — Key Difference

He/She LOOKS LIKE...

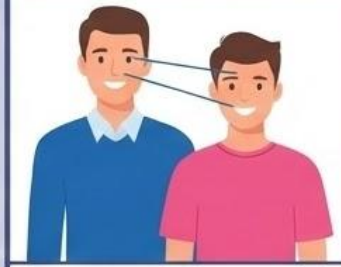
Uso: Aparência visual / como alguém parece fisicamente
Significa: Como ela/ele parece visualmente

Question: What does he/she **look like?**

Example 1

She looks like a model — tall, blonde, and elegant.

Example 2



He looks like his father — same eyes and smile.

Example 3

She looks like a student, not a teacher!

Example 4

He looks like he’s about 30 years old.

“Looks Like” vs “Is Like” — Key Difference

He/She IS LIKE...

Uso: Personalidade / caráter / como alguém é por dentro
Significa: Como ela/ele é (personalidade)

Question: What is he/she **like?**

Example 1

She is like her mother — kind, patient, and loving.

Example 2

He is like a big brother to me — always protective.

Example 3

“What is your new teacher like?” → “She's very strict but fair.”

Example 4

My best friend is like sunshine — always positive!

"Looks Like" vs "Is Like" — Key Difference

Side-by-Side Comparison:

Question

Answer (example)

"What does she look like?"

"She is tall with curly brown hair."

"What is she like?"

"She is very friendly and funny."

💡 Memória rápida: - LOOKS LIKE → 👁️ Eyes (what you see) - IS LIKE → ❤️ Heart (who they are)
