Experiences & Present Perfect

Have you ever done something unforgettable?

Você já fez algo inesquecível?

Core Adverbs & Expressions

Word / Expression	Translation (PT)	Position in Sentence	Example Sentence
experience	**experiência**	→ **subject / object**	"Traveling alone was an amazing **experience.**"
already	**já** (com expectativa)	after **have/has** → **before main verb**	"I **have already finished** my homework."
yet	**ainda** (negativa) / **já** (pergunta)	→ **end of sentence**	"I **haven't** eaten **yet.**" / "Have you finished yet?"
never	**nunca**	after **have/has** → **before main verb**	"She **has never tried** Indian food."
ever	**alguma vez**	after **subject** → before **main verb** (questions)	"Have you **ever been** to London?"
just	**acabou de** (agora mesmo)	after **have/has** → before **main verb**	"He **has just arrived.** He's still at the door."

Position Rule — Quick Reference:

AFTER have/has (before main verb):

✅ I have **ALREADY** seen this.
✅ She **has NEVER** tried it.

✅ She **has NEVER** tried it.

✅ He **has JUST** called.

END of sentence:

✅ I **haven't** finished **YET**.

✅ **Have** you eaten **YET**?

TIME EXPRESSIONS

recently

recentemente

Position: beginning OR end of sentence

→ I have recently started going to the gym.
→ I've joined a new club recently.

so far

até agora, até o momento

Position: beginning OR end of sentence

So far, I have studied three chapters.
I've learned 50 words so far.

up to now

até agora, até este momento

Position: usually at the beginning

Up to now, I have never missed a class.

still (haven't)

ainda não

Position: before *haven't/hasn't*

I still haven't finished the book." (stronger than "haven't yet")

Expression	What it means in context	Example in conversation
recently	In the near past, not long ago — *não faz muito tempo*	"Have you done anything fun recently?" → "Yes! I've recently visited the new museum."
so far	From the beginning until this moment — *desde o início até agora*	"So far, this has been the best trip of my life."
up to now	Everything from the past until this moment — *até este instante*	"Up to now, I haven't had any problems with the course."
still haven't	Emphasizes that something expected hasn't happened — *surpreendentemente, ainda não*	"I still haven't watched that show everyone loves!"

Example 1

Example 1

"What have you been doing recently?"
*→ "I've **recently** started learning to cook. **So far**, I've only made pasta."*

"How's the new project going?"
*→ "**So far**, so good! We haven't had any issues **up to now**."*

"Have you read that book I recommended?"
*→ "No, I still **haven't** found the time. I've been really busy recently."*

Example 2

"I've ***recently*** started learning to cook. ***So far***, I've only made pasta."

" ***So far***, *so good!* We haven't had any **to now**."

Example 3

"How's the new project going?"
*→"**So far**, so good! We haven't had any issues **up to now**."*

*→ "No, I **still haven't** found the time. I've been really busy **recently**."*

Main Uses — Principais Usos

Main Uses — Principais Usos

1. **Life Experiences** — without a specific time *(sem tempo específico)*

   *"**I have visited Japan.**"* — We don't know (or it doesn't matter) exactly when.
   *"**She has never eaten mango.**"* — A fact about her life up to now.

2. **Recent Actions with Present Relevance** — *resultado no presente*

   *"**I have lost my keys.**"* — I lost them at some point → I don't have them NOW.
   *"**She has just arrived.**"* — Very recent action → she is HERE now.

3. **With already / yet / just / recently / so far / up to now**

   *"**Have** you **already booked** the tickets?"*
   *"**I haven't packed** my bag **yet**."*
   *"They'**ve just finished** the meeting."*

3. **With already / yet / just / recently / so far / up to now**

   *"**Have** you **already booked** the tickets?"*

   *"**I haven't packed** my bag **yet**."*

   *"**They've just finished** the meeting."*

❌ Common Mistake	❌ *Common Mistake* ✅ *Correct Form* *Why?* ✅ Correct Form
"I have seen him yesterday." *"I saw him yesterday."* *Yesterday* = specific time → Simple Past	I saw him yesterday. ✅ Why? 🕒 Clock = specific time – Simple Past
"Did you ever try sushi?" *"Have you ever tried sushi?"*	Did you ever try sushi? ✅ Why? Have you ever tried sushi?
Life experiences → Present Perfect *"I have already went there."* *"I have already gone there."*	Life experiences → Present Perfect ✅ Why? 🧠 I have already went there.
Past participle of *go* = gone, not *went* *"She didn't arrived yet."* *"She hasn't arrived yet."*	Past participle of *go* = gone Why? Past participle tnw = gone, not *went*
Negative of PP uses *haven't/hasn't* + participle *"I know him since 2015."* *"I have known him since 2015."*	I know, him since 2015. ✅ Why? The nierztion actor *haven't* since 2015.
Duration from past to present → Present Perfect	Duration from past to present ✅ Why? Duration is present → Present Perfect

Present Perfect vs Simple Past ⚖️

	Present Perfect	Simple Past
When to use	Experiences with no specific time; actions connected to the present	Completed actions with a specific time in the past
Time signals	*ever, never, already, yet, just, recently, so far, up to now*	*yesterday, last week, in 2019, ago, when I was young, at 3pm*
Relationship to now	Connected to the present moment	Completely finished — no connection to now
Auxiliary	have / has + past participle	did (negative) / no auxiliary (affirmative)
Question form	Have you...? / Has she...?	Did you...? / Did she...?
Negative form	I haven't / She hasn't	I didn't / She didn't

ALREADY — *já*

(com ideia de que aconteceu antes do esperado)

Usage & Position

- **Position:** After *have/has* — BEFORE the main verb.
- **Use:** Affirmative sentences + questions (sooner than expected).

⚠️ In informal spoken English, *already* can also appear at the end:
"I've done it already!" — but middle position is more standard.

Examples & Translation

I have **already** seen that film.	Eu **já** vi esse filme.
She has **already** finished her homework.	Ela **já** terminou a lição de casa.
Have you **already** eaten? (surprised)	Você **já** comeu?! (tão cedo assim?)

YET — *ainda* (negativas) / já (perguntas)

- **YET** — *ainda* (negativas) / *já* (perguntas)
- Position: END of the sentence
- Use: Negative sentences (something hasn't happened but is expected) + Questions

Example	Translation
"I haven't finished **yet**."	"Eu ainda não terminei."
"She hasn't called me **yet**."	"Ela ainda não me ligou."
"Have you eaten **yet**?"	"Você já comeu?"
"Has he arrived **yet**?"	"Ele já chegou?"

JUST — acabou de / há pouco

Position:

JUST — *acabou de / há pouco*

- **Position**: After *have/has* — BEFORE the main verb
- **Use**: Something happened very recently — moments or minutes ago

Use:

Something happened very recently — moments or minutes ago

Example	Translation
"She has just called."	"Ela acabou de ligar."
"I've just arrived. Give me a minute!"	"Acabei de chegar. Me dá um minuto!"
"They've just announced the results."	"Eles acabaram de anunciar os resultados."

"They've just announced the results."

"Eles acabaram de anunciar os resultados."

Adverb	Position	Use	Meaning	Example
already	after have/has (before main verb)	affirmative / questions	before expected — *antes do esperado*	*"I've already eaten."*
yet	end of sentence	negative / questions	expected but not happened — *esperado, mas ainda não*	*"I haven't eaten yet."*
just	after have/has (before main verb)	affirmative	very recently — *há pouco, agora mesmo*	*"I've just eaten."*

Adverbs of Time: Recent Past & Progress

	recently	so far	up to now
Meaning	Time period: recent past	Casual and formal — talking about what's new	
so far	Progress: from start to now	Progress reports, updates, conversations about ongoing situations	
up to now	Completeness: the entire period	Formal, emphatic — often implies possible change ahead	

"Have you ever...?"

Have / **Has** + subject + **EVER** + **past participle** + ?

Question	Translation
"Have you ever been to Japan?"	*"Você já foi ao Japão alguma vez?"*
"Has she ever tried surfing?"	*"Ela já tentou surfar alguma vez?"*
"Have they ever eaten Brazilian food?"	*"Eles já comeram comida brasileira?"*
"Has he ever won a competition?"	*"Ele já ganhou alguma competição?"*
